Falcon Four Recognition: Brayden, Catalea and Landon!

Catalea always goes above and beyond while working with her partners. She never gets upset or frustrated. Instead she shows them kindness and patience and has a natural way of encouraging everyone.

Brayden took initiative to assist a classmate with their trombone while the teacher was busy. He also encouraged another student with their MakeMusic assignment in the Success Center and practiced with them. These actions show Brayden is adapting well to middle school and using his energy positively!

Landon has been a great helper in Spanish class. Landon has gone above and beyond many times to help another student with his work. Landon does a great job of coaching the student through the steps of the assignment and giving encouragement along the way. His willingness to help others is greatly appreciated.

**Be proud,
Falcons!**

AMS Soccer Tryouts

March 17th, 2025

Currently we do not have enough 7th and 8th graders signed up to have two soccer teams, so 6th graders are invited to try out for the 7th grade team!

The first day of evaluations is March 17th.

If you want to try out, you need to be signed up in final forms through the Allendale Athletics website and have a current physical on file prior to March 17th. The number of 6th graders that make the team will depend upon how many 7th and 8th graders come out.

MS Girls' Soccer Season is right around the corner! If you are interested in playing soccer this spring as a 7th or 8th grader, please sign up on Final Forms. More information to come through Final Forms regarding season details soon.
