Falcon Four Recognition: Parker, Navie and Darrell!

Parker makes a strong effort to stay on task, always gives her best effort in class, and shows a positive attitude while reviewing and learning.

Navie has really done a nice job in class. She does an amazing job of listening intently and participating during instruction. She volunteers often in class and asks amazing questions. I am very proud of how much she has grown in the last few weeks.

Darrell showed great respect and responsibility when a substitute teacher was late. He went out of his way to inform me that his class was without a teacher. While some classmates were frustrated, Darrell demonstrated maturity by doing the right thing, even when it wasn't popular. Though I've never had him in class, I'm proud of his thoughtful and responsible actions!

**Be proud,
Falcons!**

AMS Soccer Tryouts

March 24th, 2025

Currently we do not have enough 7th and 8th graders signed up to have two soccer teams, so 6th graders are invited to try out for the 7th grade team!

The first day of evaluations is March 24th.

If you want to try out, you need to be signed up in final forms through the Allendale Athletics website and have a current physical on file prior to March 17th. The number of 6th graders that make the team will depend upon how many 7th and 8th graders come out.
