Falcon Four Recognition: Emma, Tinley, Cayleigh

Emma works hard in U.S. History, completing thorough work on time and even staying ahead with her reading and notes. She comes prepared, is kind to her peers, and brings a great sense of humor to our class!

Tinley consistently works hard, seeks help when needed, and maintains a positive attitude. She cares about learning, doing her best, and being kind to others. As a resilient risk-taker, she shares her ideas even when unsure, adding so much to our classroom community!

Cayleigh stays focused in math, takes her learning seriously, and asks questions to ensure understanding. She remains on task, works productively, and perseveres through challenges. With her kindness, honesty, and positive attitude, she brightens our math class every day!
